Welcome to the official web site of Central College Piliyandala, Sri Lanaka. This gives you a complete picture of the College at glance, detailing the various activities, achievements and facilities available. It also gives you an insight in to the staff members who guide the students of this school. Central College Piliyandala, located in the heart of a beautiful, vibrant and geographically well-connected city, primarily caters to the community around Piliyandala and suburbs.

The mission of educational institution is to produce a well-balanced student with a sound academic background and the ability to face practical situations in life there by fulfilling the needs of Sri Lanka in its march towards development and modernisation. The College has been shown many all-island level achievements in the academic and extra curricular fields such

as sports, music, dancing ect. While implementing the fomal education system introduced by the National Institute of Education, in the keeping with the policies of the Ministry of Education, Central College Piliyandala strives hard to fulfill the needs and the aspirations of our of our students and their parents to meet the challenges of globalisation

The launching of this website meeting the trends of Information Technology, is but one more step in my endeavor to reach out to community at large so that our students, old boys and girls and well-wishers would be able to link up with us and be partners in this march towards providing our students a simulataing and supportive environment to become great achievers in Sri Lanka and beyond its shores.

Principal,

Mr.W.M.L.Wijesinghe (B.Sc.) S.L.E.A.S.
